RE: Letter of Guarantee

Yes Apples

Please use this letter as your guarantee that the Polyethylene used in producing our Poly Bags is totally APPROVED according to the FDA and any packaging, we produce that qualifies as a "food contact substance."

All of our food packaging products are made from virgin polyethylene.

The Office of Food Additive Safety and CFSAN list our resin supplier as a registered responsible supplier ensuring the safety of any food contact substances.

Our supplier of resin is Exxon/Mobil and all we purchase from them is Grade A Virgin Material.

Our Ink is standard FDA approved for contact with food particles.

If you have any additional questions or concerns, please do not hesitate to contact this office directly.

Sincerely,  
Ana Carrusca
