BAG NOTES

UPC must be printed on all bags. up to \$10,000 fine for wrong UPC. Stickers on bags need to be on the back corner. Kwik lok bag closures are required. 2 1/2" min. diameter consistent in size with no more than 1/4" variance. **No PLUs on bagged apples.**

BULK NOTES

GTIN omni stack barcoded PLU is required. 95% stickered fruit.

TOTE NOTES

No Fuji/Gala/Granny Smith/Honeycrisp/Red Delicious apples in totes. 2 1/4" min to 3" max diameter (limit 3 sizes in a bag). 1 colored sticker is required on the front of the bag with **UPC# & PLU#**. No 1/2 peck notation. 35 cases per pallet. **Add 2 extra empty tote bags to each case.**

Go Wireless Temp Recorder
 Temperature recorders must be accompanied by orange "Temperature Monitoring" placards ("Find it Inserts"), supplied by Emerson, to indicate location of each recorder. Place placard, with recorder, on face of the tail pallet for every shipment, approximately 2-3 feet down from top of pallet on the right or left side away from the chutes discharge area. Use similar placement for additional recorders placed on loads (see picture below).

If only 1 PO, the packhouse last to load please place the temperature recorder in the tail.
 If multiple POs, the packhouse first to load please place the temperature recorder in the nose.

PTI Label & GS1-128 Requirements for Walmart Suppliers

(01) Scannable GTIN (13) Pack Date (10) Grower 2 letter initials & 6 digit lot code

Segment (10)

The first 2 spaces will be packhouse initials:

- AW Apple Wedge
